Our Borough Solicitor is currently working on a Solicitation Ordinance to regulate, and require registration of individuals who wish to sell goods, merchandise or services of any kind around the borough. This will help to ensure that the safety of our residents, especially the elderly, is protected from fraudulent business practices.

IMPORTANT !!!! Stewartstown Borough is requesting customers to NOT flush **wipes** down the toilet. **Baby wipes, floor-cleaning wipes, other disposable wipes, even "flushable" wipes and feminine hygiene items all can cause major headaches and costs in a sewer system.** These products can particularly cause pumps to clog and sewage to back-up. **The costs of clogging pumps or even upgrading of pumps are ultimately a sewage customer cost.** In addition to wipes and "flushable" wipes, customers are again requested to not dispose of **fats, oils and grease down household drains and plumbing.** These materials should be collected and disposed of with regular trash.
