Cash Bingo events will be held these Fridays: January 2nd, March 6th, May 1st, October 2nd, November 6th, December 4th. Doors open @ 5pm; games begin @ 6pm. Call or email HARP with further questions.

HARP is excited to announce that we are now offering a beginner youth "Bucket Beats Class"! Bucket Beats is a bucket drumming program for kids ages 9-12. Your child will learn how to drum with just buckets and sticks; music shouldn't be limited to expensive instruments! They will learn the foundations of basic rhythm, musicality, and technique, all while having a blast. Over the course of the hour, children are guided through high-energy songs that help develop their rhythm, musicality, and technique.

**About the instructor—*Logan is a senior at Kennard-Dale High School and a lifelong musician. During his high school career, he has been a member of more than a dozen competitive music groups, both at the high school and college levels. Last year, Logan participated in six Pennsylvania Music Educators Association (PMEA) bands. The most prestigious of these was the Pennsylvania All-State Orchestra, an honor achieved by only four percussionists in the state each year. As a percussionist, he has played dozens of different instruments, including buckets. He has also served as a mentor to dozens of students in music and other areas.

**Space is limited*, so don't wait to reserve your spot. These classes will take place in the gym of HARP's Community Building. Parents of young children are welcome to stay in the room to observe. Each class is 1 hour long with a maximum of 15 students per class. All classes will take place from 6pm to 7pm on Thursdays with one class on Wednesday the 21st. The first class scheduled to begin on Thursday, January 8th 2026.

The price for all four classes is \$40 and includes a t-shirt and sticks. Buckets will be provided by the instructor. Classes will take place on Thursday, January 8th, 15th, Wednesday 21st & Thursday 29th.

Mommy & Me Play dates- This program is open to mothers, fathers, grandparents, legal guardians and their children (2-5 years of age). It is intended to provide preschoolers with a large open indoor climate controlled space to be a kid and interact with others of the same age during the winter months. Every Tuesday from 10am-12pm starting January 27th and ending March 31st, we will be opening our gym for free play. Various age appropriate play equipment and toys will be available for the children to enjoy but also feel free to bring your own from home. Please be advised that HARP is not responsible for any lost or damaged toys that are brought from home. We also ask that our equipment and toys be treated with care when attending. These play dates are not supervised by HARP so adults attending are responsible for the behavior of the children they are attending with. The location for these play dates is HARP Gym 16 College Avenue.

For families residing within HARP's service area you can pre-register for all 10 sessions at \$37 per family or for families outside of our service area at a rate of \$45 per family.

Day of drop in fees will be as follows: HARP service area-\$5 for the 1st child and \$1 for each additional child and outside HARP service area-\$6 for the 1st child and \$1 for each additional child.
